

ISLE OF MAN DEPARTMENT OF EDUCATION AND CHILDREN *RHEYNN YNSEE AS PAITCHYN ELLAN VANNIN*

Expedition Section

Achieving the Award is an adventure from beginning to end and this section can give young people some of their most memorable experiences!

There will need to be between four and seven in an expedition team. With the team, they will plan an aim for the expedition, decide on the location and do lots of fun training to make sure they are fully prepared and know what they are doing! The Leaders will arrange a Supervisor to work with the teams to organise all of this and help them plan their expedition.

Once they have done the preparation the fun starts when they go out and do a practice and a qualifying expedition. Once they have completed their final expedition they will give a presentation about their experiences and achievements to either: the Supervisor, Assessor or another adult.

The whole experience will give them laughs, arguments, joy and frustration along the way. But, by the end, they will have better team and leadership skills, not to mention bags more confidence and a rucksack full of great memories!

Supervision

Our DofE Leaders and Expedition Supervisors are always trained to high standards of child safety and supervision through their Operating Authority and their DofE centre. Supervision of expedition groups is carried out remotely, Supervisors arrange to meet up with the groups during their walking day and at camp. Although they do not walk or camp with the groups they are located in the area and are contactable by the young people in case of emergency.

The young people have a list of 20 conditions to complete in order to fulfill the expedition section of the Award (attached). They have a responsibility to behave appropriately during their venture by listening to their Supervisor's instructions, considering members of the public, the camp site & owner and adhering to the country code. The only person who can fail them is themselves.
