*TIS THE SEASON TO BE JOLLY.....*

## **Christmas Craft Fayre**

We will be setting up for the Fayre from 4pm on Friday 29th November so if you can help in anyway please let Kirrie know on (mob) 453417.

We are still looking for volunteers to man stalls so that everyone gets a chance of a break, a list has been posted in the foyer. Please add your name and contact details if you can help.

To make it even more festive please could all volunteers wear something seasonal on the night (psss.... we have some Elf hats—you have been warned! )

We would be grateful for donations of the following which can be placed in a box under the FOA notice board.

- Glass jam jars (suitable for tea lights)
- Small party favours (suitable for xmas crackers)
- Raffle prizes—Items suitable for food hampers only now required. We have had a wonderful response to the request for raffle prizes so some items may be held over to the summer fayre where appropriate—THANK YOU!
- Donations for the 'Good as New' and 50/50 sale to go to the Reception Classroom

## **On the day**

- Donations for the home made cake stall
- Xmas tree shaped cookies/ginger bread biscuits for the biscuit decorating stall

## **Competition time**

One golden ticket entitling the winner to free craft sessions on the night is available to each year group. All you have to do is submit a cracker joke in a sealed envelope, drop it in the FOA collection box, please include your child's name and year. If your joke is chosen it will be printed and used in the Cracker craft. Final entries by Wed 27th.

For more details of what will be available on the night please see overleaf:
